### Mission Statement

**Debbie Roberts**  
[Windham School District Superintendent](#)

The mission of the Windham School District is to provide appropriate educational programming and services to meet the needs of the eligible offender population in TDCJ and reduce recidivism by assisting offenders in becoming responsible, productive members of their communities.

**Oliver J. Bell**  
[Chairman Texas Board of Criminal Justice and WSD Board of Trustees](#)

The Windham School District (WSD) was established by the Texas Legislature as an entity separate and distinct from the Texas Department of Criminal Justice (TDCJ), with the Texas Board of Criminal Justice (TBCJ) serving as the Board of Trustees for the WSD. It is the policy of the Board that the WSD shall provide academic, as well as career and technology education, to eligible offenders incarcerated within the TDCJ.
